All others bring data

W. Edwards Deming
IT IS NOT NECESSARY TO CHANGE

Survival is not mandatory

W. Edwards Deming
Challenging the SBHC field to adopt the first ever set of standardized performance measures
What does this make possible for us?
Improve quality
WHAT GETS MEASURED GETS DONE
50% SBHCs to voluntarily adopting and reporting performance measures by 2018
How can we work together to achieve this goal?
Annual risk assessment

Alcohol and drug use screening and/or counseling

Tobacco use screening and/or cessation assistance

Annual well-child visit

BMI assessment

Oral health assessment

Asthma treatment plan

Depression screening

Nutrition screening and/or counseling

Physical activity screening and/or counseling

STD Chlamydia screening
Standardized performance measures for SBHCs

- Annual well child visit
- Annual risk assessment
- BMI screening and nutrition/physical activity counseling
- Depression screening
- Chlamydia screening

Student disposition log (seat time saved)

SBHC student user survey
