

San Fernando High School
Mandatory Substance Abuse/Use Counseling
Agreement

As an alternative to a suspension or an opportunity transfer from San Fernando High School, I/we agree to attend four sessions at the Teen Health Center to discuss my drugs and/or alcohol use. Sessions are held on **Tuesday from 2:30 – 3:30** at the **Teen Health Center** located on the corner of O’Melveny Ave. and Chamberlain St. I further agree to have this form signed by the therapist at the Teen Center following each session. Upon completion of my four sessions, I will return the completed form to Mr. Gomez/Mr. Hernandez, Deans of Students. **Failure to complete and/or follow through with this agreement will result in a second parent conference to discuss alternative educational options.**

I agree to allow the NEVHC Teen Health Center to release dates I’ve attended the Mandatory Substance Abuse/Use Counseling group to San Fernando High School.
