NATIONAL QUALITY INITIATIVE FOR SCHOOL-BASED HEALTH SERVICES

COIIN SUPPORT WEBINAR

April 9, 2019
WELCOME

IN GOD WE TRUST...

All others bring data

W. Edwards Deming
REAL IMPROVEMENT COMES FROM CHANGING SYSTEMS, NOT CHANGING WITHIN SYSTEMS

“Mere effort can achieve improvement, but such improvement is not fundamental; it does not represent a new level of capability.”

Donald M. Berwick, former President and Chief Executive Officer of the Institute for Healthcare Improvement
WEBINAR OBJECTIVES

1. Have an increased understanding of SBHC National Quality Initiative Collaborative Improvement and Innovation Network opportunity
2. List three benefits for SBHC and state participation
3. Be better prepared to submit an application to participate in the NQI CoIIN
NQI: A PARTNERSHIP
HHS MATERNAL AND CHILD HEALTH BUREAU (MCHB) PROJECT OFFICER

Aitebureme “Aite” Aigbe, DrPH
NQI OBJECTIVES

• Improve quality of care and use of best business practices that promote sustainability among 50% SBHCs/CSMHSs
• Increase number/utilization of SBHCs/CSMHSs by 15%
• Increase state policies and programs that promote quality, sustainability, and growth of school-based health services
What does this make possible for us?
Improve quality

compare

align
SBHCs to voluntarily adopt and report performance measures
Annual risk assessment

Annual well-child visit

Asthma treatment plan

Nutrition screening and/or counseling

STD Chlamydia screening

Tobacco use screening and/or cessation assistance

Oral health assessment

BMI assessment

Depression screening

Physical activity screening and/or counseling
Core performance measures for SBHCs

- Annual well child visit
- Annual risk assessment
- BMI screening and nutrition/physical activity counseling
- Depression screening
- Chlamydia screening
Test measures for SBHCs

- Seat time saved
- Client Experience of Care
Quality Counts:
Clinical Performance Measures
QI Toolkit

Why These 5 Measures?

Well-Child Visit
Annual Risk Assessment
BMI Assessment & Nutrition / Physical Activity Counseling
Depression Screening & Follow-Up
Chlamydia Screening

Report Your Measures
Nationwide adoption and scale up through annual reporting
2016-17 Participation
547 SBHCs

2017-18 Participation
648 SBHCs
1. What did participation in the NQI CoIN make possible for SBHCs in your state/community?

2. What elements of the CoIN were most valuable to you in advancing quality improvement in CT SBHCs?
PARTICIPATING IN THE COIIN
SCHOOL-BASED HEALTH CENTER CoIIN

- 2019-20 School Year
- State CoIIN team membership
  - State champion
  - 5 SBHCs per state
  - Title V maternal and child health
  - Medicaid/State health care authority
  - Other state-level stakeholders: state SBHC associations, state depts. of education, managed care organizations, primary care associations, etc.
SBHC PARTICIPATION CRITERIA

• Utilize an Electronic Health Record (EHR)
• Code and bill for SBHC visits
• Onsite primary and behavioral health professionals
• In the school building or on the school campus
• Open at least 20 hours per week during the school year
• Report performance data monthly and participate in the 2019-20 National School-Based Health Care Census
• Commit to attending all required NQI CoIN meetings and trainings
## Timeline, Benefits, and Expectations

HOW TO APPLY

Visit the Alliance’s website at:

https://www.sbh4all.org/request-for-applications-nqi-coiin/
HOW TO APPLY

• Click on “RFA & Application” to download the MS Word application

TWO TRACKS, TWO DELIVERY SYSTEMS

Participating states may elect to focus their quality improvement efforts on one of two delivery tracks: 1) school-based health centers or 2) comprehensive school mental health. Up to five states will be selected for each track. For more information and to access the respective application for each track, click below:

• Complete the two-page application
• Return application by May 31, 2019
Want to focus on School Mental Health?

Comprehensive School Mental Health Systems

- Trauma-informed
  - Mental Health Treatment
  - Restorative Justice
- Social Emotional Learning
- ACES Aware
  - Safe and Supportive
- Positive Behavioral Intervention and Supports (PBIS)
  - Substance Use Prevention and Intervention
- Mental Health Promotion
- Resilience-Promoting
  - Positive School Climate
- Educating the Whole Child
- Mental Health Literacy
