OBJECTIVES

• Understand rationale for providing LGBTQ+ safe spaces
• Learn practical steps to collaborating with school to create an LGBTQ+ welcoming environment in your school
• Connecting LGBTQ+ youth to your health center
Transgender and gender nonconforming (trans/GNC) youth are experiencing extremely hostile climates in US schools.

83.7% of transgender & 69.9% of gender nonconforming students were bullied/harassed at school because of gender.

Over 4 in 10 trans/GNC students face gender-related discrimination at school, including:

- 42.1% of trans/GNC students have been prevented from using their preferred name or pronoun.
- 46.5% of trans/GNC students have been required to use the incorrect bathroom.

GLSEN National School Climate Survey
78% of transgender and non-binary youth reported being the subject of discrimination due to their gender identity and 70% of LGBTQ youth reported discrimination due to their sexual orientation.

LGBTQ youth who experienced physical harm due to either their sexual orientation or gender identity:
- Physical harm: 20%
- No physical harm: 80%

Youth who attempted suicide, comparison of those who experienced physical harm with those who had not:
- Physical harm: 36%
- No physical harm: 13%

The Trevor Project National Survey On LGBTQ Youth
The Trevor Project National Survey on LGBTQ Youth

39% of LGBTQ respondents seriously considered attempting suicide in the past twelve months.

More than half of transgender and non-binary youth have seriously considered suicide.

71% of respondents reported feeling sad or hopeless for at least two weeks in the past year.

- Over 18% of LGBTQ respondents attempted suicide in the past twelve months.
- 29% of transgender and non-binary youth respondents have attempted suicide.
- 76% of the sample felt that recent politics impacted their mental health or sense of self.
- 47% of the sample received psychological or emotional counseling from a mental health professional.
Less than half of LGBTQ respondents were out to an adult at school.

With whom do LGBTQ youth share their sexual orientation and gender identity?

• Offer to teach a lesson on a health-related topic if that would be helpful for a teacher. What would this be? - Ask Jenni for idea

ALLYSHIP IN ACTION

OVERVIEW
Facilitating an Allyship in Action training is a great way to encourage people to take action and make schools safer for LGBTQ students. Use this guide to help you facilitate your own training to engage participants in activities that will get them thinking critically about further actions they can take as allies.

OBJECTIVES
- To provide understanding about what allyship in action is.
- To increase the belief of why allyship is important.
- To encourage effective allyship in action in schools.
