

PRELIMINARY PROGRAM

National School-Based Health Care Conference

2022 
ACHIEVING
HEALTH EQUITY

THROUGH SCHOOL-BASED HEALTH CARE

▶ VIRTUAL CONFERENCE June 27-30, 2022

SCHOOL-BASED
HEALTH ALLIANCE

The National Voice for School-Based Health Care

General Information

Join the School-Based Health Alliance for its annual conference, **“Achieving Health Equity Through School-Based Health Care,”** June 27-30, 2022. This year’s conference is presented virtually. The opening session begins **June 27, 2022, at noon ET.** In addition to the keynote speakers, this conference will feature workshops with experts on a wide range of topics.

This conference is an opportunity to connect with fellow health care professionals, education professionals, and advocates from across the nation. More than 2,500 school-based health centers (SBHCs) nationwide deliver integrated, patient-centered care, screening for conditions like obesity and depression, and offering preventive services—all with a special focus on vulnerable children and adolescents.

Conference attendees will explore the innovative ways SBHCs serve their rural, urban, and suburban schools and communities by promoting wellness and health equity.

We have the good fortune to work with the field and other experts to develop various resources and tools relevant to the field.

The challenge is continuously disseminating the materials to the field and helping people apply the new knowledge or tools. We will highlight various resources and tools during our **“School-Based Health Alliance Resources, Tools, and Technical Assistance Hour”** to show attendees how to access them. We will also summarize the various Professional Services we developed in the last couple of years. Join us for an informative session each morning before the start of the conference, from **11:00 am to 12:00 pm ET!**

Final Program will be available on our

**VIRTUAL
CONFERENCE
PLATFORM**

CONTINUING EDUCATION

Continuing education is made possible through the Community Health Center, Inc. (CHCI) and its Weitzman Institute, the research, education, and policy arm of CHCI. In support of improving patient care, this activity was planned and implemented by the School-Based Health Alliance and Community Health Center, Inc./Weitzman Institute and is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. Additional CE credits are available for dentists, pharmacists, physician assistants, psychologists, registered dietitians, and social workers.

For every CME/CE-eligible session you attend and evaluate, you will receive the appropriate CME or CE credit amount. If you do not need professional CME/CEs, you may opt to receive a certificate of completion for the session(s) you attend and evaluate.

There is an opportunity to earn a maximum of 6 CE hours for workshop sessions A-F. CE or Certificate of Attendance is included in the registration fee.

DISCLOSURE STATEMENT

The School-Based Health Alliance strives to ensure balance, independence, objectivity, and scientific rigor in all of its educational programs. All faculty members participating in this program have been required to disclose any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of this program. This disclosure includes relationships with pharmaceutical companies, biomedical device manufacturers, or other corporations whose products or services are related to the subject matter of the presentation topic. The intent of this policy is to openly identify any conflict of interest so that the attendees may form their own judgments about the presentation with the full disclosure of the facts. In addition, faculty are expected to openly disclose any off-label, experimental, or investigational uses of drugs or devices in their presentations.

AMERICANS WITH DISABILITIES ACT

If you require special accommodations to participate in this activity, please provide information about your requirements via email to info@sbh4all.org.

REGISTRATION

Online registration for the conference is safe and easy. Confirmation is sent via email immediately after you finalize your registration. Your confirmation serves as a receipt and includes other event information. If you do not receive an email, please check your spam folder. We are not offering a one-day or group rate. Payment must be made by credit card only.

General Registration: \$180

Presenter Registration: \$75

We accept Visa, MasterCard, American Express, Discover, Diners Club, and JCB payments. CE or Certificate of Attendance is included in the fee.

Registration cancellation must be in writing via email to info@sbh4all.org by May 27, 2022. A \$25 processing fee is charged for all cancellations. No refunds will be issued after this date. An alternate attendee will be accepted in place of a canceled registrant. The request must be made in writing via email to info@sbh4all.org. Cannot find an alternate, please consider it as a donation.

Registration is limited to 450 attendees.
