**The Warm Line**

The Illinois Mental Health Collaborative for Access and Choice is pleased to announce the Warm Line!

*Sometimes what is needed most in difficult times is someone to talk to: Someone who listens and understands.*

The Warm Line is an opportunity in Illinois for persons with mental health and/or substance use challenges and their families to receive support by phone. Wellness Support Specialists are professionals who have experienced mental health and/or substance use recovery in their own lives. They have been trained in recovery support, mentoring, and advocacy and are ready to listen and support you. The Warm Line is not a crisis hotline, but is a source of support as you recover or help a family member to recover.
