Teambuilding Tips for Cross-Organization
Success*

SBHA Conference Workshop
June 25, 2026

Continuing Education Credits

In support of improving patient care, this activity has been planned and implemented by School-Based Health Alliance and Moses/Weitzman Health System, Inc. and its Weitzman Institute and is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This series is intended for Dentists, Nurses, Nurse Practitioners, Pharmacists, Physicians, Physician Assistants, Psychologists, Registered Dietitians, and Social Workers.

Please complete the survey and claim your post-session certificate on the Weitzman Education Platform after today's session. **Please note:** Pharmacists must claim credits within two week's following today's session or we will not be able to award ACPE credits.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Disclosures

- With respect to the following presentation, there has been no relevant (direct or indirect) financial relationship between speakers (or other activity planners) and any ineligible company in the past 24 months which would be considered a relevant financial relationship.
- The views expressed in this presentation are those of the speakers and may not reflect official policy of Moses/Weitzman Health System.
- We are obligated to disclose any products which are off-label, unlabeled, experimental, and/or under investigation (not FDA approved) and any limitations on the information that are presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinion.

Collective Impact Model

- 1) Common agenda
- 2) Continuous communications
- 3) Backbone organization
- 4) Shared measurement
- 5) Mutually reinforcing activities

Backbone organization

- ★ Clarity of Purpose
- ★ Driving Long-Term Momentum and Growth
- ★ Strong Partnership Identity
- ★ Connected and Aligned People and Activities
- ★ Involving the Target Population
- ★ Clear Measures of Success Connected to Learning

Shared measurement

Inland Empire Opioid Crisis Coalition

Strategy Dashboard Fall 2020

Access to Treatment

Goal 1: More MAT initiated

Increase number of people initiating MAT in Inland Empire, in IEHP-MMAT sites, RUHS and ARMC medical and behavioral health, by 2000 by December 2020.

Progress as of Sept 2020:

300+ people initiated in 5 MAT programs (see PPT for Bridge sites, details)

Strategies

All providers and access points, including telehealth. (ED Bridge in Goal 2)

Goal 2: Cal. Bridge success

Grow 5 ED Bridge programs to serve 1200 new patients and connect to community MAT for 300 new patients successful at 30 days, by Dec. 2020.

Progress as of Sept 2020:

300+ people initiated in 5 Bridge programs (see PPT for details)

Strategies

5 ED Bridge programs: ARMC, RUHS, St Bernardine, St Mary, San Geronio; and with community MAT.

Goal 3: At-risk populations

Initiate MAT with 500 or more new at-risk people: jail, probation, and at-risk youth by Dec. 2020.

Progress as of Sept 2020:

Together, two counties have served **over 800 people**, in their target populations.

Strategies

Initiatives for at-risk youth 12-24, jails and probation.

Safe Prescribing

Goal 1: Opioid data access - goal updated fall 2020 -

Increase the accuracy of opioid mortality and morbidity reporting to San Bernardino and Riverside Counties.

Strategy

Develop a process to report data to CDPH and CURES for prescription-related opioid deaths.

Goal 2: Reduce stigma in pharmacies, primary care

Improve patient experience, reduce stigma against people with OUD, through education.

Strategies

Deliver 2 virtual webinars for pharmacists.

Goal 3: Easier authorizations for MAT

Engage payers to develop more expedited authorization processes for MAT participation and Rx fills.

Strategy

Engage in 2 conversations with state and county policy leaders on authorization requirements for MAT.

Three elements of trustworthiness

- Ability
- Benevolence
- Integrity
